Dear CML Members,

The Town of Frederick endorses the candidacy of Joe Baker, City Council member from Dacono, Colorado for the CML Executive Board. We in Frederick appreciate that Joe has placed himself in nomination to represent communities such as Frederick in this way.

Dacono and Frederick share a common border and vision for our region. Joe has worked to build those regional relationships during his time on the Dacono City Council and together we have worked as a Frederick Board and Dacono City council on issues of mutual concern and interest.

Joe will bring qualities of regionalism, leadership and a voice for communities in the small and mid size population. Joe has been active in regional issues such as Denver Regional Council of Governments and the North Area Transportation Alliance and serves as Mayor Pro Tem in Dacono.

Frederick Town Board endorses and encourages those attending the CML conference to consider support for Joe as a new member to the CML Board of Directors.

Sincerely,

Eric Doering, Mayor
